Specifications

Feature	Description
Material PVC	Resistance to moisture and heat, extremely durable, resists warping
Standard Valance	3 1/4" Royal Crown with hidden adjustable clips
Bottom Rail Orientation	Trapezoid for maximum privacy
Headrail	2" x 2" heavy duty headrail
UV Protection Superior	UV coat protects against suns damaging rays and increases life of blind
Wheeled pull Cord	Metal wheel assures smoother operation and longer cord life
Superior Cord Lock	Die cast construction provides easier lift, reduces fraying and lessens drop back when the blind is raised
Superior Cord Tilt	Allows for smoother operation, reduces slipping and provides tighter Closure
Polystyrene Tape Drum	Ladders cross over creating better closure of the top slats and small Sleeve provides a smoother operation
Lifetime Limited Warranty	Repair or replacement covered against manufacturing defects in Product design, workmanship, and materials that causes the product to function improperly.
